## AUTHORIZATION CARD

**Dear Member:**

**We ask for your cooperation. It is a requirement by the National Labor Relations Board, that we have a newly signed authorization card on file at least once a year.**

**The card permits the union to negotiate on your behalf for wages, hours and fringe benefit matters, etc. This is important, please fill the card out, sign it and return it to this office as soon as possible.**

**Fraternally,**

***Michael R. Derrico***

**Business Manager/Secretary-Treasurer**
